## Vision

Param Shraddheya Sant Shri Atmanandji had strong conviction that foundation for good conduct and healthy personality should be laid during childhood years. For that purpose academic, cultural and spiritual education should be provided to the children for developing all-round personality.

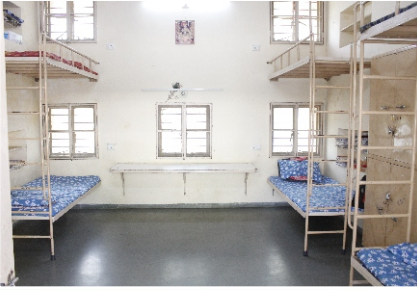

With this view in mind and using donations from the Mumukshus, Vidya Bhakti Anand Dham was founded on June 1, 1994 with just 10 students. Later on, a new facility spread over an area of 8000 sq. ft. was built in the year 2005 to accommodate 60 students (5th Grade to 10th Grade) in a natural & peaceful environment of the Ashram.
